SUMMARY REPORT OF SCHOOL/DEPARTMENT-LEVEL RESEARCH ETHICS REVIEW ACTIVITIES

For monitoring purposes, submit this summary report to the University Research Ethics Office (UREO) together with the collated Form 12 (Student Application for Ethics Clearance) and Form 13 (Student Protocol Assessment Form with notification of ethics approval), of students who underwent School/Dept-level research ethics review for the semester or school year.

Department-level review applies to undergraduate theses and other undergraduate/graduate research done for coursework that involves human participants. Graduate theses/dissertations undergo review by the AdMUREC Loyola Schools panel.

It is preferred that the documents be submitted to UREO in digital or soft copy. Departments should retain copies for their own records.
