

ATENEUM DE MANILA UNIVERSITY
OFFICE OF THE VICE PRESIDENT FOR HIGHER EDUCATION

HE Memo #Y1.36
12 October 2023

TO The Ateneo de Manila Higher Education Community

FROM [Sgd] Dr Philip Arnold P Tuaño
Officer-in-Charge, Vice President for Higher Education

SUBJECT Reopening of the Rockwell Campus

We are pleased to announce that our Rockwell Campus will be reopening for regular operations effective 16 October 2023.

While there are some minor architectural, mechanical and electrical works still being undertaken, none of these will materially affect our school operations, nor do they pose any safety risks to our community.

The Deans of the Law School and the Graduate School of Business will release their own memos detailing the specific timetables for the return to on-site work and face-to-face classes for their respective communities.

We thank the Makati Local Government for facilitating the release of all necessary permits to make it possible for us to return to campus, and our university Central Facilities Maintenance Office for overseeing this major renovation project on our behalf.

For any questions or concerns regarding the reopening of Rockwell campus, please feel free to reach out to the Office of the Vice President for Higher Education at +63(2) 8938-0348 or the Campus Facilities Management Office at +63(2) 8426-6001, local 4273 or 4269.

The upgrade of our airconditioning systems, the replacement of our elevators, and the electrical rewiring of the entire building were necessary improvements in our physical infrastructure. But we are cognizant of the significant disruption these improvements posed to our normal operations and the great inconvenience suffered by many. We thank everyone for your patience and understanding. We look forward to welcoming you all back to Rockwell campus in the coming weeks.
