RE	Online Classes on Monday, 20 November 2023

Greetings of peace!

In light of the possible transportation strike on 20 November 2023, the Senior High School will conduct **online classes this coming Monday** (i.e. no in-person classes). Please take note of the following:

- There will be no morning check-in / moderator's session at 8:30 AM.
- Following each section's Monday schedule, subject teachers will deliver their lessons online, whether via videoconferencing (GMeet) or through scheduled posting of materials and tasks via their respective Google Classrooms. Students are expected to be available to attend the session or accomplish the lessons following their usual Monday schedules.
- We will observe the usual recess and lunch breaks. The students' day will also end on the Monday dismissal time for their section.

We will monitor the situation on Monday and inform the SHS community on Monday afternoon about the modality on the succeeding day. For your information and guidance. Please stay safe and well.
