2. The AJHS Student Handbook

As our partners in the education and formation of your children, we would like to share with you the Ateneo de Manila Junior High School Student Handbook.

More than the usual contents of any student handbook, such as the school's organizational structure, its academic code, and code of discipline, the AJHS Student Handbook primarily serves as a testament to our way of proceeding as a Filipino, Catholic, and Jesuit educational institution. It is a testament to the kind of students we strive to educate and form.

Anchored on our school's vision, mission, and goals, this document articulates the essential traits and characteristics of an ideal AJHS student, which includes, above all, a genuine commitment to being a person-for-others, following the example of Christ and the teachings of St. Ignatius of Loyola.

May this document serve as a trusty companion that will inspire, guide, and help us navigate the changing landscapes of education not just for the coming school year but in the years to come.

Ad Majorem Dei Gloriam!
