Memo # U2526-020

TO The University Community

SUBJECT Town Hall Meetings with Administration and Service Cluster Vice Presidents

As we open School Year 2025–2026, I am inviting all members of our University community to a new round of **Town Hall Meetings** with the Vice Presidents from our administration and service clusters.

These gatherings are part of our continuing effort to foster transparency, engagement, and shared responsibility in building a more responsive and inclusive Ateneo de Manila. Through these sessions, you will hear updates on the initiatives—completed, ongoing, and forthcoming—of the various administrative offices, as well as responses to concerns raised in previous town halls.

I strongly encourage everyone to participate in this year’s sessions. You may do so in three meaningful ways:

- **Submit questions or issues for discussion** ahead of time via this form: <https://go.ateneo.edu/vptownhall2025-ask>
- **Attend the town halls**, whether **onsite** or **online via Zoom** (register here: <https://go.ateneo.edu/vptownhall2025>)
- **Engage actively** during the meetings by sharing your questions, insights, or suggestions
