TO Student Activities Community

FROM (Sgd.) Nathaniel Paul T. Reyes
Director

SUBJECT **New Student Affairs Professional**

I am happy to announce that the Office of Student Activities has a new Student Affairs Professional who is a familiar name and face to the organization community.

We welcome **Mr. Zych Jeus G. Alfanta** to his new role as Student Affairs Professional.

Mr. Alfanta or Red is not new to the Ateneo student activities community. He had been the first to greet the student leaders and all other visitors to the OSA office in the last year and a few months as our Administrative Assistant. We are glad that he has decided to take on this mission of working more closely with our student organizations towards leadership formation and organization development.

Red officially begins as Student Affairs Professional today, **16 October 2025**. Your current OSA Formator shall coordinate with you regarding transition planning in the next few months. Possible movements in terms of Formator assignment for specific organizations will take effect beginning **January 2026**.

We wish Red the best as he embarks on this new chapter of service and growth. May his dedication, warmth, and commitment continue to inspire our student leaders and enrich the vibrant spirit of our organization community.

Ad Majorem Dei Gloriam.
